

Because we want to sort it out

If you have a complaint please talk to us about it.

At Club Auto, our key focus is being there for you when you need us. We are genuinely interested in making sure we provide you with the best customer service we can - and that includes sorting out any complaints you have with us, quickly and fairly.

If you have a complaint with Club Auto, you have a number of options to get resolved.

1. Talk to the person who handled your enquiry or claim

Concerns can often be resolved straight away by talking to us. Please contact the person who has been attending to your enquiry or claim. Maybe there is something we aren't aware of? Or you may have further information that we didn't know before.

2. Talk to their Team Leader/Manager

If you feel uncomfortable dealing with the person handling your enquiry or claim, or you are not satisfied with their response, contact their Team Leader/Manager.

To assist us, please put your concerns in writing. The Team Leader/Manager will consider all your concerns and carry out a full investigation, keeping you informed of the progress. It is in both your and our interests that any complaints are sorted out as quickly as possible.

3. Take it to the Club Auto General Manager

If you are still dissatisfied, please use the attached feedback form to write to us. We're as determined as you are to see our customer complaints sorted out.

The General Manager
Club Auto
PO Box 1575
Whangarei 0140

Please include the name of the Club Auto staff member you spoke to, plus any other information you feel will help bring about resolution. Please also clearly state what outcome you would like to see. We will undertake a complete review of your complaint and policy file, independent of the Club Auto staff involved to this point.

We will keep you informed of the progress of your complaint and strive to be prompt and fair in our assessment and in finding a resolution.

If your complaint is relating to our claim service, you may also have your case referred to TOWER who ultimately underwrite the insurance policy. A panel from TOWER will review the case, including the Club Auto decision, and make a ruling to accept the complaint or suggest that it is taken to the claims dispute resolution service (see point 4 below).

4. Take the case to a dispute resolution service

If, despite all our combined efforts, your complaint is not resolved, you may want to take your complaint to an independent resolution service. Depending on the nature of your complaint, you will have two options for this, which are;

Claims service complaints:

If both Club Auto and TOWER have reviewed your complaint and issued a Letter of Deadlock, you will then have the option of taking your claims complaint to the Insurance & Savings Ombudsman. The Ombudsman acts as an independent party to resolve disputes. You will need to show that you have gone through the above steps before the Ombudsman's office will investigate. You are also required to refer your complaint to the Ombudsman within two months of receiving our written response.
