

Welcome To Club Auto Flagfall Roadside SOS

Club Auto Flagfall SOS is your 24-hour Taxi breakdown service. It applies to the insured vehicle, not the driver, so it doesn't matter who is using it at the time.

All Club Auto Flagfall SOS operators are skilled technicians and customer assistance operators. To access their help, phone 0800 503 502 and simply quote your vehicle registration number.

Please take a moment to read through the full range of services covered by the Club Auto Flagfall SOS programme.

Unlike other programmes where the policy holder has to be in the vehicle during a breakdown, the Club Auto Flagfall SOS programme covers your vehicle irrespective of who is driving, providing peace of mind that your vehicle will not be stranded on the roadside in the event of a breakdown occurring.

Club Auto Flagfall SOS will provide the roadside services as listed in the terms and conditions. You are entitled to 6 callouts per year, to assist you in the event you require.

The Club Auto Flagfall SOS operator will provide a quote based on your breakdown location and event, ensuring response times (and any additional costs should this be encountered) are kept to a minimum.
